The meeting was called to order at 1:30 p.m. by Steve Kolodney.

Greg Emans, DIS, gave a presentation on the Intergovernmental Network.

Todd Sander provided a list of CJIA Executive Committee members and stated the next meeting will be held Friday, February 6, 1998 at 1:30 p.m. in the DIS Boardroom.

A JIN Project Coordinator has been hired. Dennis Hausman, from Tennessee will be assuming his new duties at DIS on February 17, 1998. His background is in county government.

Agency reporting:

Chief Sandberg reported the WACIC/WASIS project is on schedule. The Patrol's Data Center move is pending current negotiations between the Patrol, DOT and DIS. The AFIS project has submitted two proposals to OFM, to purchase all new hardware or to contract with Western Identification Network (WIN) which would operate as a remote site.

Joe Lehman stated that DIS has assumed oversight for the OBTS project and the contract has been awarded to MTG Consulting.

Rick Coplen provided an update on networking systems in various counties.

Evelyn Yenson stated the centralized digital drivers license project is scheduled to be implemented in 1999 if funding is approved by the Legislature. BTAP is the framework for many projects – ISB approved the project at the January 21, 1998 meeting.

Gary Robinson reported that OFM is focusing on the DOL and WSP budget requests.

Ron Waldner discussed the Incident Based Reporting project.

Kim Eaton stated that Yakima County needs the funding request approved for the Spillman general contract. This issue will be brought up at the next CJIA meeting for approval.

Meeting Adjourned.
